

OJAI MUSIC FESTIVAL

LAWN SEATING FAQ

The Libbey Bowl lawn is the ultimate casual concert experience - the perfect place to lie back and listen to incredible music under the clear summer skies of Ojai. Concerts are lightly amplified in both reserved seating and on the lawn, to ensure an excellent listening experience.

To help you enjoy the lawn, here are some things to know:

- Feel free to bring blankets, chairs, pillows, or a picnic – whatever will make your experience comfortable. Patrons with higher chairs may be asked to move to the side of the lawn so as not to hinder views of other patrons.
- **Line up early!** Lawn lines start as early as two hours before a concert begins. There are two lines for lawn patrons – the left is designated for lawn series subscribers with an access pass and the right for single pass holders.
- **Save your place!** Lawn series pass subscribers have the opportunity to save their spot on the lawn between the morning and evening concerts; please use the “Save My Spot” card mailed with your passes.
- **Store it!** If you are attending two concerts in one day, you can also place your lawn chairs and blankets near the lawn entrance gate between concerts. Please do not leave personal belongings as Festival staff cannot be responsible for items left unattended.
- As a courtesy to fellow patrons, we ask you not to smoke on the lawn during the concert. We regret that we cannot let pets into the Bowl.
- **Ojai weather can be quite unpredictable!** During the evening concerts we highly recommend bringing a warm blanket and for the day bringing sunscreen and wearing a hat in case it gets too hot.
- At the Festival there are food vendors who will have a variety of light food options and beverages. For a greater variety, you can head to the various eateries within walking distance from the Bowl. Visit www.OjaiFestival.org for suggestions.
- As a courtesy to fellow patrons, we ask you not to smoke on the lawn during the concert. We regret that we cannot let pets into the Bowl.

Thank you and enjoy!
