Volunteer and Committee Opportunities

Ojai Music Festival Friends thrives because of both generous fundraising and the many ways our members volunteer. We invite you to join one of our committees and share your time, creativity, and talents.

Holiday Home Tour & Market

We invite and encourage all active members to participate in some way in the Friends' main fundraising event, the Holiday Home Tour & Market. This is the heart of our work and the most important way we support the Ojai Music Festival.

Please let us know how you'd like to be involved in the Holiday Home Tour & Market this year:

- ☐ Docent (greeting guests and sharing information in one of the homes)
- ☐ House Hostess (Oversees a home during the tour, coordinating docents and ensuring a smooth guest experience)
- ☐ Planning Committee (help shape the vision, décor, and logistics of the tour)
- ☐ Holiday Market (support vendors and help with event operations)
- ☐ Consider my home for a future tour

Other Committees & Opportunities

In addition to the Holiday Home Tour, we welcome your involvement in other committees that keep our group vibrant year-round:

- ☐ **Membership** - Recruits and welcomes new members, maintains the directory, and helps everyone feel connected.
- ☐ **Education & Events** - Plans member events and creates ways for members to connect through music and learning.
- ☐ **Communications** - Helps share our story through newsletters, social media, and publicity.
- ☐ **General Office Support** - Help with mailings and other administrative tasks throughout the year.
- ☐ **Executive Board Interest** - I'd like to learn more about opportunities to serve in a leadership role in the future.

Other interests, skills, or ideas you'd like to share:
